

The Resource for Public Safety Businesses

The Fire and Emergency Manufacturers and Services Association represents more than 140 manufacturers and service providers. Our programs and services are designed to promote the growth of our members and the overall industry.

Join FEMSA for:

- ◆ Professional development and education
- ◆ Focus on Capitol Hill, and access to legislative information affecting the fire service industry
- ◆ Access to trade show analyses
- ◆ Networking with people who face similar challenges
- ◆ Opportunities to learn about emerging industry trends

Become a FEMSA member today!
